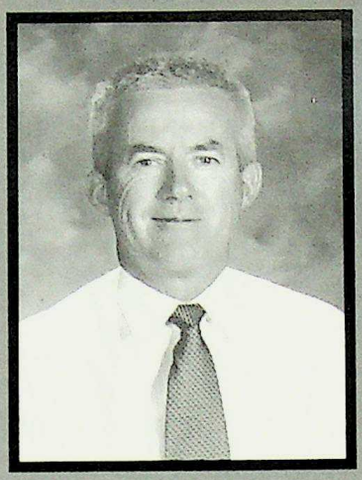
A Message from Mr. Beaton



This year has brought us many new challenges. Our grade 10s settled down and were very focused on doing their best academically.

Our achievement results continued to improve so that they are among some of the highest in the city. Our students have worked very hard to be successful in all of their subjects. Our successful course completion and retention rates indicated the students' strong will to do their best. Our new "Wagner Talent Show" in March just demonstrated the many talents and skills that our students have.

Throughout this yearbook you will recognize many activities and people in a wide variety of situations. I would like to thank the custodians, support staff, and teaching staff for all of their hard work and effort in making Wagner the best school we can.

Sincerely,
John Beaton
Principal

This allowed the team to enter the Premier playoffs where they fell one game short of reaching the Premier Conference City Finals. In tournament play, the Jr. Boys also did very well. Results include a 5th place finish at Harry Ainlay's TVT, a 3rd place finish at Notre Dame in Red Deer and a 1st place finish at W.P. Wagner's own Warrior Cup.

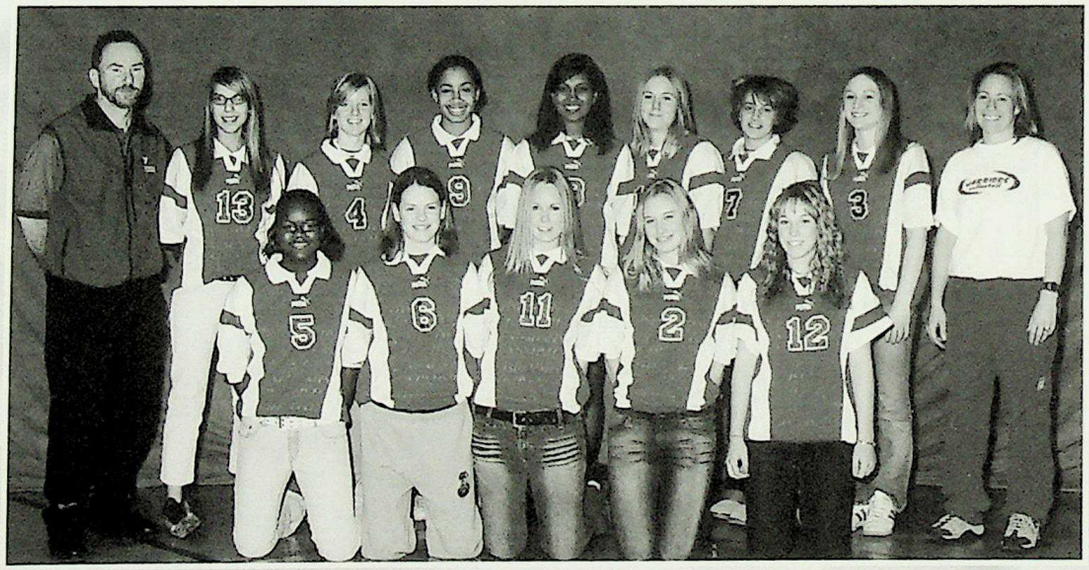
JUNIOR GIRLS' VOLLEYBALL



The 2003/2004 Junior Volleyball Team enjoyed a very successful season of growth. Veteran players Ellie Anderson, Chelsey Swankhuizen and team captain Jamie Murphy led by example demonstrating what Warrior Volleyball is all about…Hard work, commitment and fun. The team finished 5th in league play and set the tone in the playoffs by stunning the Scona Lords in City Quarter Finals with an impressive 3 sets to 1 score. City Semi-Finals took place at McNally and the Lady Warriors fought a hard and close battle, losing in 4 sets to the home team. As always, W.P. Wagner was once again represented by a classy, energetic and talented group of Volleyball athletes. The coaching staff is proud of their accomplishments and the dedication each team member demonstrated throughout the season.

FOOTBALL

At W.P. Wagner our Football program is dedicated to the development of young athletes. We focus on class, discipline, fitness, and academic growth, all in addition to football development. Not only do our players work hard on the field during the season, they are also leaders in the classroom and school community. Our players graduate our program as strong and positive members of society. We take great pride in this. The 2003 season was a positive experience for all involved. We fielded a young team of inspired and motivated athletes. Our warriors competed hard and gave their best effort during every game of the season.

SENIOR GIRLS BASKETBALL

The 2003 - 2004 Senior Women's team had a very positive season. The players played some fantastic and exciting games throughout the season that placed us in the quarter finals with the opportunity to advance. However, we finished strong and proud of our many accomplishments as a team as well as individuals. The team played in tournaments in Devon, the McHoopla and to finish, winning the Spruce Grove Invitational.
The highlight for many of the players on this team was a trip to San Diego at Christmas to play in a tournament. The team did very well and had a great experience with basketball as well as enjoying the beaches and many attractions in San Diego as well as Disneyland on New Years Eve. It was fantastic.

TRACK AND FIELD

After some snowy weather in April, the track season finally arrived! This year Wagner had a dedicated group of athletes who committed their time, effort and abilities to their events.

Of the 23 athletes who competed at mini meets, and the divisional track meet, 19 earned spots representing Wagner in the Zone Championships held at Rollie Miles Athletic Park.

It was an unbelievably miserable day as it rained from 7:30 in the morning through until 4:30 that afternoon. Despite the poor weather all of our athletes showed up to compete and represented Wagner very well indeed. Kelsey Fry went on to qualify for the Provincial Championships, which were held in Calgary this year. Kelsey did very well at the Provincials placing second in the high jump, third in hurdles, fifth in the long jump as well as running on the 4x100 meter relay team that captured gold. Well done Kelsey and congratulations to all the other athletes on an excellent showing at the zones and a great year. Mr. Winter, Mr. Bagley and Mr. Boan were very pleased with the great group of students that participated in Track this year. Mr. Winter and I are looking forward to seeing this year's grade ten and eleven students come out again next spring.

Have a great summer.

Rowing. One of those sports you see on TV during the Olympics. A sport seemingly filled with dedicated university athletes who attend Ivy League institutions. Determination, gruelling hard work, sweat, power. All are characteristics that enter one's mind when contemplating such a noble sport. What doesn't come to mind is ten goofy high school girls who started out with as much knowledge about rowing as a runway model trying to teach a calculus class.

The team worked hard to learn a new (to them) and demanding sport. With the days stretching longer, anxiety concerning the upcoming Youth Rowing Challenge increased. In this event, Wagner's rowing team would be pitted against two other high school teams in an all or nothing race. The day of the regatta arrived on a drizzling and cold Saturday. Shivering, soaked and nervous, our team fouled up on our first two heats only to pull it together for the final with an amazing time only two seconds slow of the winning boat. Although not number one, the W.P. Wagner rowing team is one of the three fastest semi-competitive girls boats in the city. For the ten of us, winning or losing was irrelevant. The experience changed all of us in many unexpected, but not unwelcomed, ways and while the Junior challenge program is over, our eyes have only just been opened to all the possibilities rowing has to offer.

SWIMMING

Back Row (L-R): Sara Marsh, Lord Buddha (team mascot), Mr. Wondga (coach), Robert Barchard (Team Captain), Kris Loshak, Brady Crockett, Jordan Sykes, Christopher Millwood, Jared Sykes, Jordan Larson, Daniel Leveille, Kale Holmstrom
Middle Row (L-R): Morgan Hepper, Robyn Kozak, Jade Shumyla, Amanda Sorenson, Jessy Jurgens, Stacey Easterby, Meghan Hetchler, James Cadden, Allyson Bachinsky, Allison Penner, Stephanie Playdon, Danny Easterby
Front Row (L-R): Kelsey Kalenith, Brianne Warkentin, Amanda Martens, Jaqueline Burvill, James Mazurok, Sara Baker, Kimberly Littlejohn, Sarah Billings, Matt Wedman, Carolynn Breakey
Missing (L-R): Coaches Alanna Sykes, Luke Larson, and Kelly Carter. Athletes Brittany Byam, Amy Demchuk, Caitlin Edwards, Nicole Hilton, Nancy Leedham (Team Captain), Sara Lynn Peters, Danielle Riddle, Kirsten Taylor, Nathalie Tremblay, Jordan Easterby, Karl Jensen, and Matt Kunyk

W.P. Wagner had the biggest swim team in its history this year with 42 swimmers going to the City Finals. The focus this year was on technique, land training, flexibility, and team motivation. A new cheer song was developed by the team that will be surely continue as a Wagner tradition from now on. This year, two swimmers were appointed as team captains; Nancy Leedham and Robert Barchard. These two fine athletes did a fantastic job as leaders and support for their team-mates. The team trained very hard and many achieved personal best times at the City Finals. Most importantly, we all had a lot of fun! The award for most outstanding athlete went to Kris Loshak, a grade 10 triathlete who took his training very seriously by incorporating butterfly in his daily training. The Spirit Award was well earned by team captain Nancy Leedham, who consistently got the team together for cheers, explained the meet rules to the team, and consoled nervous swimmers. All in all, it was a great year and many of us are looking forward to the next year.

CURLING

Wagner had an excellent year in curling. We had a six member mixed curling team consisting of: Tarra Carter, Sarah Griesheimer; Kyle Toles, Dan Borza, Kimberly Littlejohn and Gibson Hewlett.
The team curled in a league consisting not only of Edmonton Public schools but also the greater Edmonton area. They are all avid curlers and so brought a wealth of experience to the team. These six students represented Wagner very well. They displayed excellent sportsmanship on the ice and were a formidable team to play against. They ended up going undefeated throughout the playoffs and defeated Beaumont in the City Championship.
After winning the City Championship they went on to compete in the zone play downs to represent the Edmonton zone in the Provincial Championships. They played extremely well and ended up facing the Beaumont team once again in the zone final. Unfortunately, Beaumont got the better of us this time and squeaked out a win.
Overall, Mr. Sylvester and I were very pleased to have had the opportunity to coach such an excellent group of students. Congratulations on a great season and being the City Champions! The majority of the team will be returning next year with the exception of Tarra Carter who graduates this year. (We hope) We would like to wish Tarra all the best in her future curling endeavors……someday we'll see you at the Scott!

MUSIC NOTES

Wagner Music ended the year on a winning note! In March, Jazz "A" competed at the Alberta International Band Festival and brought home a rating of Excellence. The Symphonic Band attended the same festival and received a Superior Award. On April 23, eighty-five Band and Choir members traveled to Banff to participate in the Rocky Mountain Music Festival. The Choir, Symphonic Band, and Jazz "A" made us very proud, with the Choir receiving an Award of Excellence an the Symphonic Band taking home a first place Superior Award. On May 26, the Grade 10 Band and the Grade 11/12 Band performed at the Alberta Band Association's Festival of Bands in Red Deer, which features almost 200 bands from across the province. Our Grade 10's came home with an Award of Excellence and the Grade 11/12 Band received the highest rating possible with a Superior Award.

Our tour to Banff was a resounding success in every way. Our students proved themselves to be a class act, receiving positive comments wherever they went and proving that they are indeed superior ambassadors for W.P. Wagner. Some of the highlights included hearing performances by Kokopelli, the McGill Jazz Band, NiteCap, and many fine school groups from across North America. We will also long remember "Dinner and a Movie Night" at our condos in Canmore where we witnessed student gourmet cooking ranging from alphagetti and chocolate milk to fine Italian cuisine. Our heartfelt thanks go out to chaperones Mrs. Inga Melenius, Mrs. Rosalie Mazurok, Mrs. Linda Wagner, Mrs. Irene Voaklander, Mr. Allain Gauthier, Mr. David Milton, Mr. Tom Kitagawa, Mr. Dean Wilson, and Mrs. Kim Wilson, who were a joy to be with and an invaluable help.

On May 31, "Springfest 2004" was presented at Festival Place in Sherwood Park to a sold out audience. This was a wonderful opportunity to see the entire program in action and audience members were treated to some fine musical moments.

News from the Drama Department - 2003/2004

The drama department will mark the 2003/2004 school year as very memorable indeed. Course work combined with a five show run of *Pride and Prejudice*, performances for the Elimination of Discrimination Assembly, the Nosebowl Theatre Sports competition, Dramafest, Wagner ArtsFest, and a film project kept drama students very busy!

The W.P. Wagner Theatre Company finished the year with Wagner Arts Fest, an interdisciplinary festival featuring a display of art and claywork, small instrumental ensembles, cultural displays and student directed one act plays. All of the one-act performances were very well received by the audiences. Those who attended Wagner Artsfest were also delighted to pre-view the performances of the two Wagner produced plays, *The Zoo Story* and *Actor's Nightmare*, that represented our school at Drama Fest (the Edmonton High School One Act Play Festival). Both plays represented our school very well and Wagner students were acknowledged with awards for acting, directing and technical theatre.

A number of Advanced Acting students have recently completed shooting footage for a film project. Although most students were new to working with film, they worked very hard and as a result, have some really remarkable footage "in the can". Next year the students will edit their work and hope to have the project complete next fall.

As with all of the drama productions and projects we have embarked upon this year, there was some sadness as the students took their final bows. I would like to congratulate and thank all the students involved in the W.P. Wagner Drama Program for a successful year and remind these students that theatre allows actors to inhabit a fanciful world of unforgettable characters and extraordinary places. The greatest value of the arts is that when we emerge from the escape, we are better for having had the experience. Best wishes to all my students and I hope that you have been by enriched by your adventures in drama.

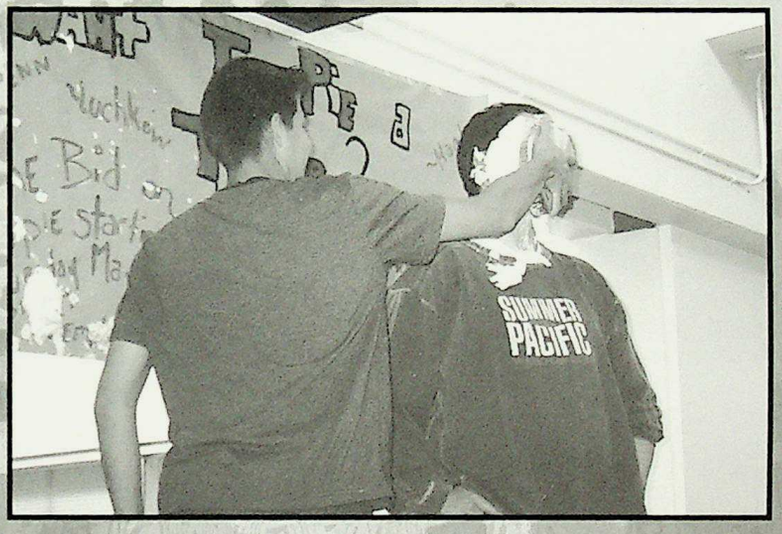
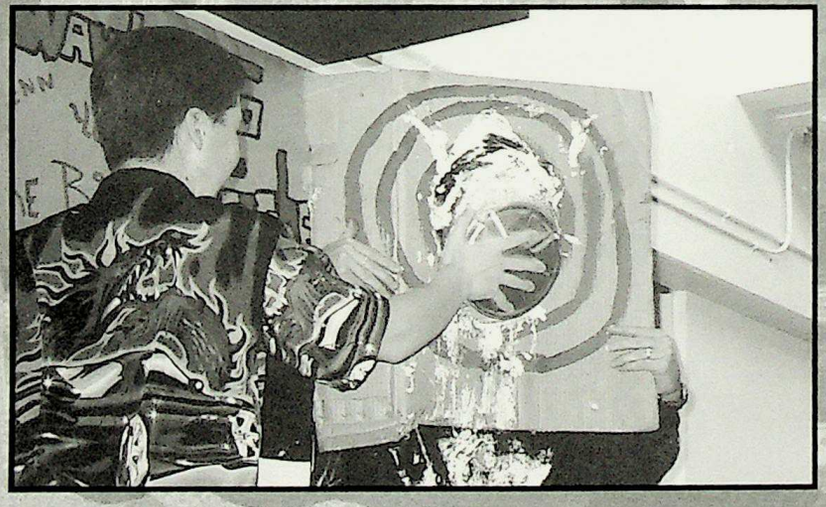
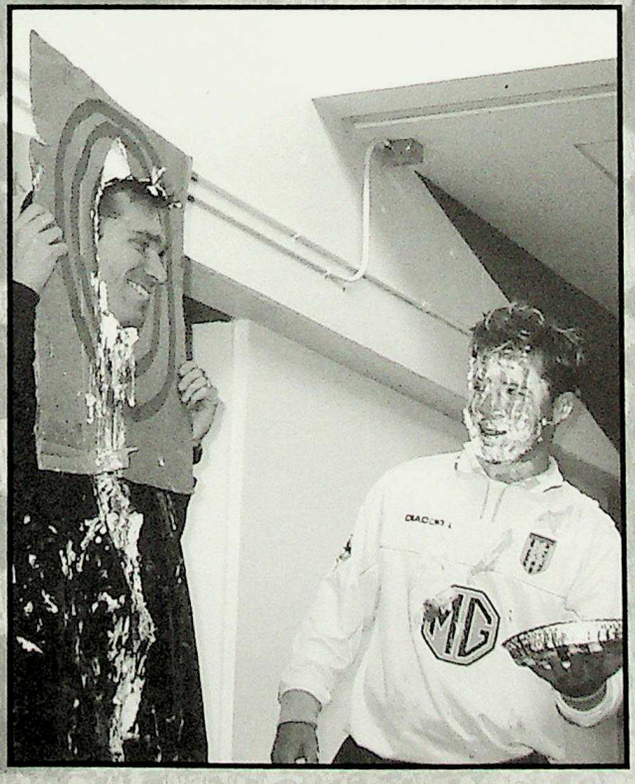
PIE A TEACHER DAY...

GO ALL OUT!





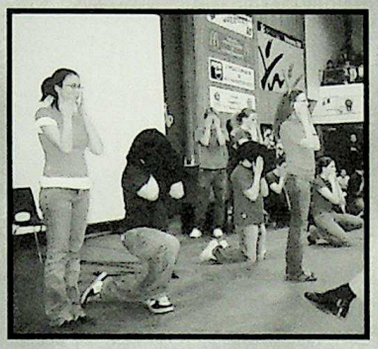


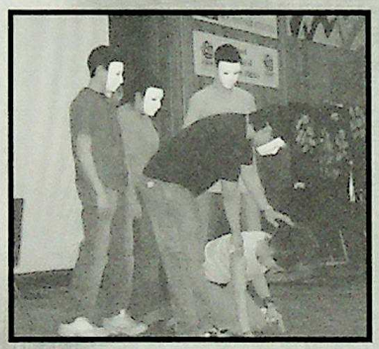
United Nations' International Day for the Elimination of Discrimination

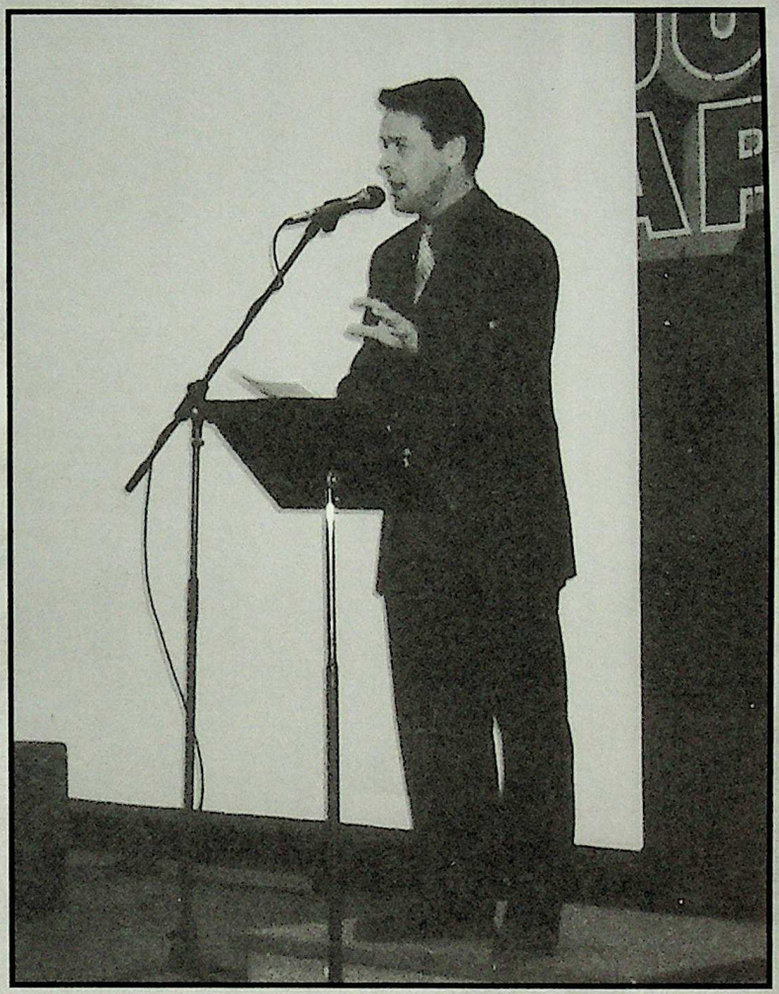
The International Day for the Elimination of Racial Discrimination is observed annually on March 21. On that day, in 1960, police opened fire and killed 69 people at a peaceful demonstration in Sharpeville, South Africa, against the apartheid "pass laws". Proclaiming the Day in 1966, the General Assembly called on the international community to redouble its efforts to eliminate all forms of racial discrimination (Resolution 2142(XXI)).

Wagner Hosts Event

On Monday, March 8, 2004, W.P. hosted its annual school-wide assembly in honour of the United Nations' International Day for the Elimination of Racial Discrimination. This year, Northern Alberta Alliance on Race Relations (NAAR) partnered with W.P. Wagner staff and students to organize the event. Paul Mennier from A-Channel hosted the assembly, and other guest speakers who have fought against racial discrimination gave powerful speeches, urging students to continue the fight against racism. Our own drama department contributed moving performances in support of the spirit of the event.







UNITED NATIONS' PERSONAL PLEDGE AGAINST RACISM

"As a young citizen of the world community, I stand with the United Nations against racism, discrimination and intolerance of any kind. Throughout my life I will try to promote equality, justice and dignity among all people in my home, my community and everywhere in the world."

VALEDICTORY ADDRESS

Good afternoon, W.P. Wagner Class of 2004. I am Vishal, and this is Jesse, and we are your valedictorians. Nearly all of us here today have spent a considerable amount of time preparing for tonight in a frantic rush of fittings and hair appointments so that we would appear our best for the occasion. However, more important than celebrating how good we look, we are here to celebrate the culmination of twelve years of education. We have lasted a great intake of knowledge in a short time and three years of activity, laughter, and lasting memories which have passed us by in what seems a short time.

Our experience in school has most certainly been designed for our scholastic, our intellectual development. However, we haven't come out of high school learning just facts, figures, rules, and methods related to the courses we took. In fact, many of us have already forgotten what we studied in a particular subject, probably as soon as we had finished writing the Part B Diploma exam for that course. Is then our academic experience simply a waste? Will we ever use trig identities or redox reactions in real life? Why did we complete our schooling? It was not merely for the acquisition of knowledge, nor was it just so that we could get into post-secondary institutions to make money and to lead a more prestigious, supposedly fulfilling life.

First of all, what we have learned and the environment in which we have learned have greatly contributed to our aptitude, our capacity to think for ourselves, to reason, to make educated choices. Our time in high school has equipped us with practical knowledge that we can apply to any of our future endeavours, whether it is your life-long dream to flip burgers at McDonald's or something somewhat more educationally intensive. Or maybe you really will live up to that childhood fantasy of growing up to be a fire truck. Regardless of the path we choose in life, we can be confident that we are prepared to face whatever obstacles we may encounter along the way.

Secondly, our time in school has provided us with invaluable memories that we will always be able to look back upon as a part of who we are. Like that chemistry demo that went horribly wrong and left your teacher with half an eyebrow and a diminished sense of smell, the gym class when a kid almost drowned because one of his water wings sprung a leak, or the social position papers, each of which greyed our hair, sagged our skin, and shortened our life span just a little bit. We can look back and remember the good times we spent with our friends during our classes, our spares, and the periods when we had our "parents" call the school to excuse our absences. And perhaps there were some hard times in high school as well, times that you would rather not remember, but the reality is that those memories are as important a part of who we are as the happier ones. They reveal personality flaws in us, they show us who our true friends are, and as a result, they make us better, more mature individuals. We must always remember to take the bad in stride with the good and to learn from them both.

GRADUATING CLASS OF 2004

In looking back upon our fondest memories from high school, it becomes apparent that happiness is achieved in many ways. Though we are constantly bombarded with images of the societal view of happiness, personal fulfillment is not something that can be dictated to us. It is something that we have to discover for ourselves, despite the constant pressure placed upon us to achieve. Studies have shown that the stress levels experienced by a 25-year old in the fifties equals that of a ten-year old in today's world, and that estimate seems even a bit conservative. Nevertheless, these statements shouldn't overwhelm us, for we are all capable of making the best of whatever situation we are presented with. It is up to us to laugh at ourselves, to stand up and dust ourselves off when we have fallen, and to push forward into the future. Before you start that eight-year haul to add "Dr." to your signature, make sure you're doing it for the right reasons, and not just because it will make mommy and daddy proud, or because it will fatten your wallet. If your version of happiness involves writing poetry in a dingy basement suite and owning a lot of cats, then start saving your pennies for that deluxe litter box.

Tonight marks the end of twelve years of public education, but it also marks a new beginning, a new chapter in our lives. Our entrance into the world as adults has never been as evident as it will be from this point forward. As we try to make our own ways in the world, we will continue to utilize everything that we take with us from our experiences in high school, both in and out of the classroom. Albert Einstein put it best when he said: "Education is what remains after one has forgotten everything he learned in school." Bear this statement in mind as you take your first bold steps towards independence. Congratulations class of 2004, and good luck in all of your future endeavours.

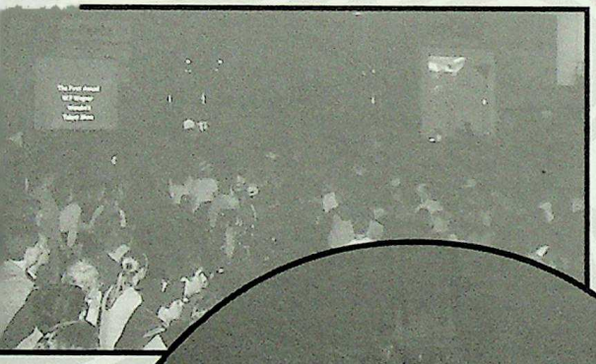
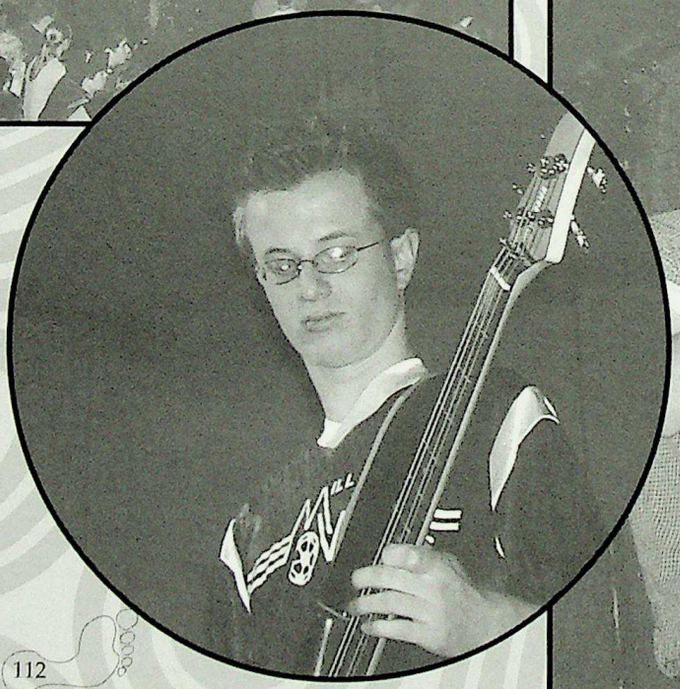
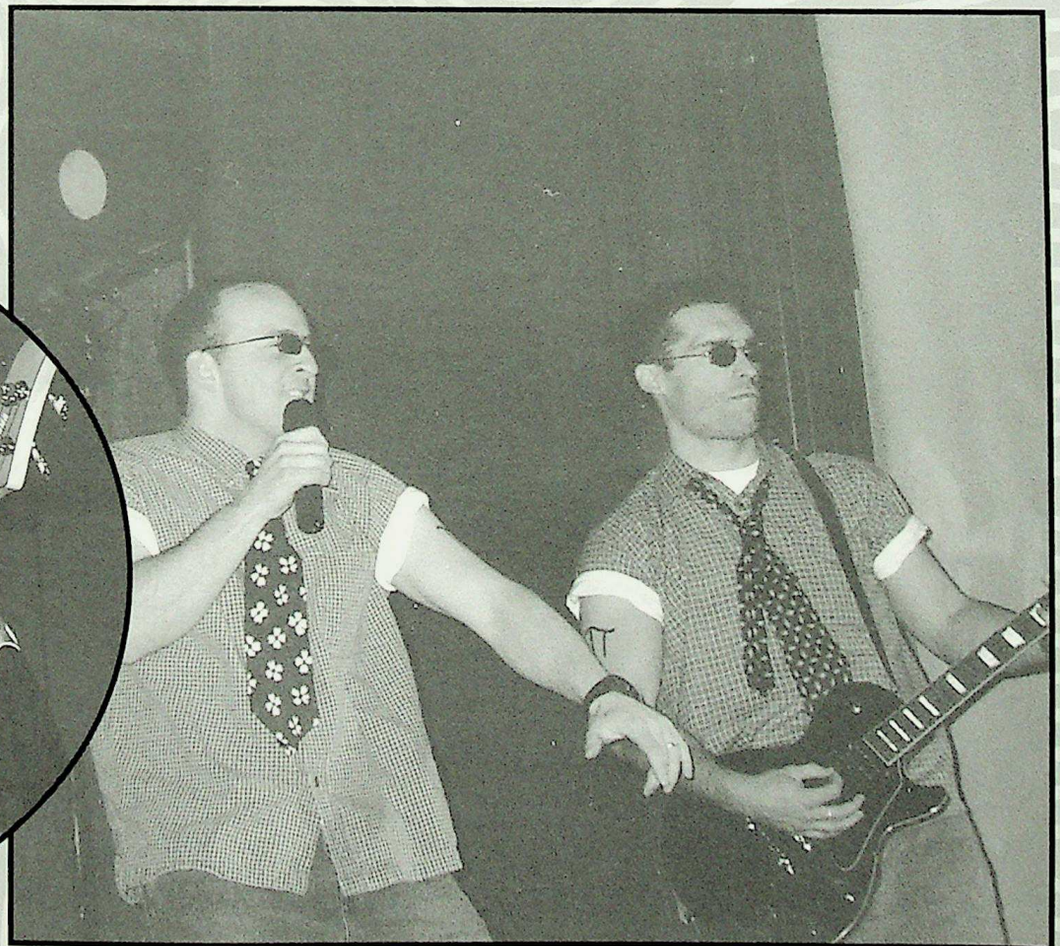
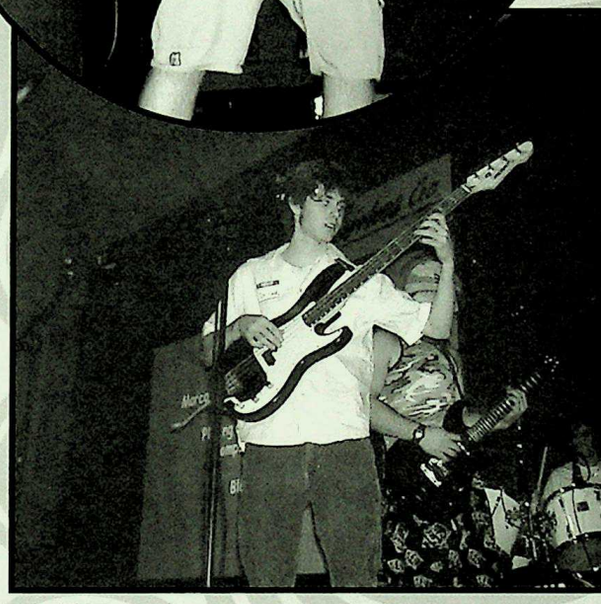
1ST ANNUAL

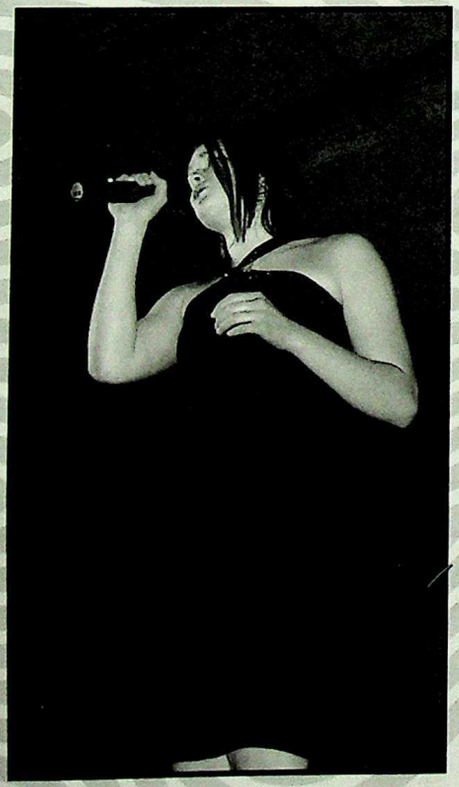
WAGNER WANNABE CONCERT











Bringing fun to school

Who plans those great activities between classes - from BYOB (banana, that is) to Touch of Class?? Your very own...

STUDENTS' UNION

This year the Students' Union might have been small, but we were mighty. As a group we strived to create new traditions and keep old ones alive. This year has been highlighted by numerous events; Welcome Week – which hosted a free BBQ, a scavenger hunt, an inflatable obstacle course, musical chairs and clubs day. We had Wagner's first ever Haunted House and because of the success and response we had from students, we are looking to put on another one next year. The costumes that were shown off on Halloween were some of the funniest, more original and over all best we have seen at Wagner and who knows what next year will have in store. We had a fall and spring blood donor clinic and dress up days. In December, Touch of Class was another huge success and truly continues to be one of Wagner's most reputable events thanks to the live jazz bands, roses, free food at lunch and great participation from staff and students. Spring and the start of the second termbrought with it new ideas and a revived council. We started off second term with candy grams, Valentines Day activities like the dating game, and noon hours filled with fun. Our biggest and newest event in second term was our Wagner Wanna Be Talent Show, which featured many students, as well as the oh so famous and coveted Math Street Boys. The talent that was displayed at the show was impressive and inspiring! It sparked new ideas and interests for another one next year – so hopefully we will have lots of students putting together an act for next spring. The BYOB... bring your own banana created quite the excitement in the café mall and gave many students a sugar rush – who doesn't love free ice cream?! Though the year seemed to fly by, the council decided to create a one-month countdown to summer, which included bringing the wild west to Wagner in Western Days, Pie your Teacher as a fundraiser for Cancer Research, an inflatable obstacle course and sumo wrestling noon hour, a '50 days including a jive contest, and again a free BBQ for all staff and students to enjoy. We had a GREAT year! Without the help and support of the staff and the participation by the students, this year would not have been the success that it was. With big plans in store for next year, we encourage new faces to join us in Temptations or else join in the festivities next year. Thanks for a great year Wagner; we will be back in the fall ready to go...we hope you will be too!

What a year for W. P. Wagner students in the both the provincial Skills Canada Competition held here in Edmonton and at the national competitions in Winnipeg, MB! A record number of 25 competitors represented W. P. Wagner in 14 different events in the provincials where we earned a record number of medals over the two days of competition, May 11 and 12.

Our provincial team consisted of Melissa Fox and Anali Reitan in *Baking*, Danny Calvert and Tyler Johnson in *Video/TV Production*, three teams in *Computer Animation*: Brian Hennig and Andy Birmingham, Marc Jarvis and Tyler Harder, Adam Swankuizen and Eric Rasmussen; Jessica Virostek and D'Layne Johnstone competed in *Women's Apparel Design*, Jeremy Kadach in *Welding*, Jason Francis in *Sheet Metal Working*, Cole Gurin and Ryan Reeves in *Culinary Arts*, Sean McQuillan and Michel Kakulphimp in *Graphic Design*, Lyle Jorgensen in *IT/PC Networking*, Ryan Pedde in *Internet Web Design*, Cory Harasyma in *IT Applications Basic*, Michael Sims and Robin Miller in *IT Applications Intermediate*, Simon Chibuk in *IT Applications Advanced* and finally, James Morrison in *Job Interview*.

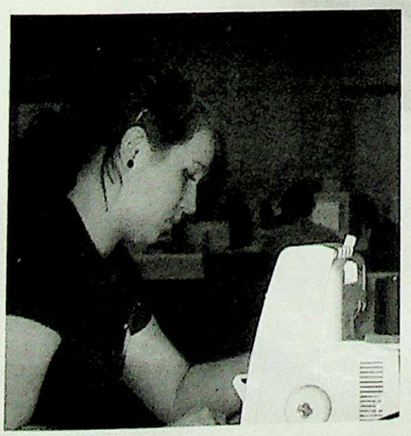
All teams competed well and represented themselves and W. P. Wagner School with honour. Our results were exceptional with medals awarded to some of our team, with others just missing out. Medals were awarded to:

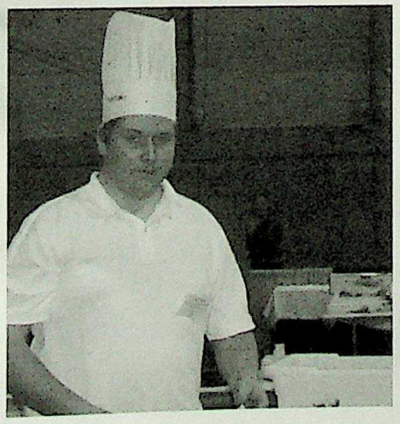
Michel Kakulphimp – Gold in Graphic Design
Tyler Harder and Marc Jarvis – Gold in Computer Animation
Jessica Virostek – Silver in Women's Apparel Design
Michael Sims – Bronze in IT Applications Intermediate
Simon Chibuk – Safety Award

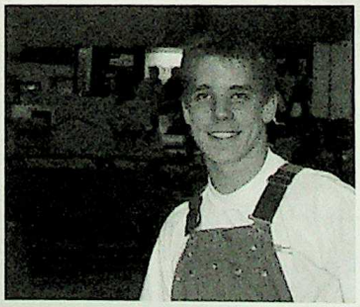
Our Gold medalists, Michel Kakulphimp, Tyler Harder and Marc Jarvis then competed in Winnipeg at the Canadian National Skills Competition, May 27 – 30, representing Alberta along with over a hundred other students from across Alberta. Although our Wagner Warriors were unable to earn medals, Alberta's overall achievement improved from last year. All participants enjoyed a wealth of experiences both in their competitions and in meeting and socializing with competitors from across Canada's 10 provinces and 3 territories.

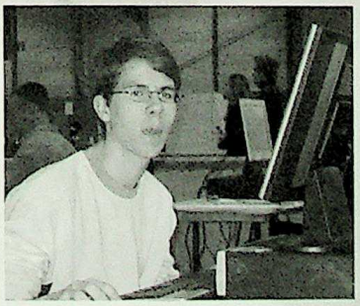
A very special thanks goes to the teachers and staff who prepared, supervised and generally support all members of our Skills Canada team, Leona Bjaranson, John Beaton, Lynne Fenton, Marlene Hearn, Mike Luchak, and Jim Sylvester.

Congratulations to all.









Way to GO!

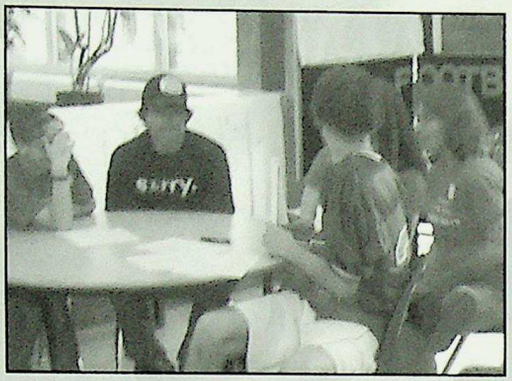
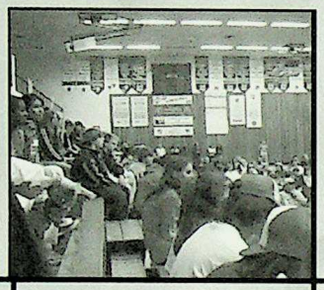
A Time To Discover





WARRIOR FRIENDS

STUDENTS HELPING STUDENTS

Making the move to high school can be an exciting and sometimes scary transition. Every student remembers what it was like to be a new grade ten and to feel somewhat lost and confused. Fortunately they soon discovered that W.P. Wagner is a very friendly place and that it really isn't so difficult to find their way around and to get into the routine of high school life.

To extend a warm welcome to our new students and their parents, on June 1st, 2004, W.P. Wagner hosted our annual Warrior Friends Evening. Each new student was telephoned and personally invited by their "Warrior Friend", a student volunteer from our school. At the event, new students were greeted in the gym, went for a tour, and then met in small groups with their Warrior Friend for key tips to make the most of their high school years at W.P. Wagner. The event was a great success thanks to the leadership, maturity, and school pride shown by the great team of Warrior Friends.

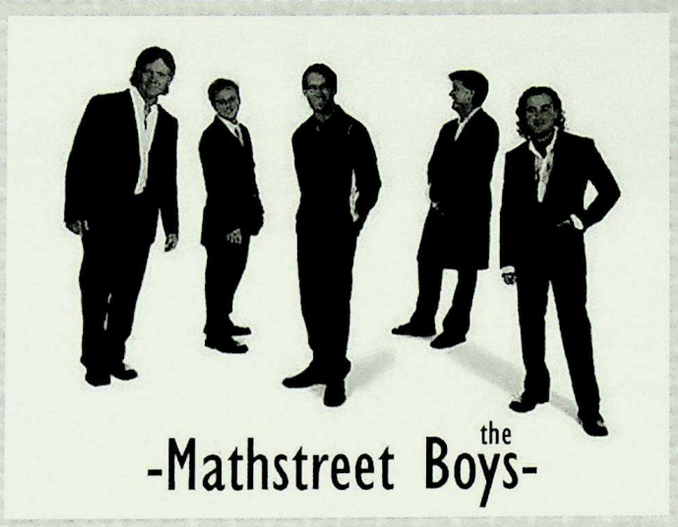
AN INTERVIEW WITH THE MATHSTREET BOYS



-by our very own yearbook correspondent,
Cathy Nguyen

How do you feel this group has changed your life and/or the public's view of math?

Mathstreet has been a life altering experience. Being able to impart math wisdom on the minds of the youth is a great honor but being able to sing about the joys of math, and specifically Pi, has probably been one of the most rewarding experiences of all of our lives. To drive down the street and listen to students in their cars grooving to Mathstreet is truely phat. The public has openly accepted Mathstreet into their lives.

What is your favourite song, to date?

It's very hard to pick one song as a favourite as they all have very deep and significant meaning to us. We're really fond of the hit, "Tell Ya 'bout Pi". The musicality is superb but more than that, the lead vocals are kickn'! Of course it would be remiss of us not to mention "Tell me Pi" as it was our very first hit and started us on the road to success.

What is the goal of the Mathstreet Boys?

Years ago a group of renegade math teachers saw a need for some Math love songs. Many students had been expressing their feelings about Pi and consequently Mathstreet was formed. It has always been our goal to educate the public about the beauty of the symbol Pi. Now, you might think this is quite normal, quite sane, quite rational....but we can assure you it's quite the opposite....in fact you might say, it's irrational!

What are some words of wisdom that you would like to impart to budding mathematicians?

Always work hard. Never give up. At times when that math problem seems as though it is impossible to solve....just think of Pi.....and you might be right! When you're feeling down and you need a friend....exchanging a quick high Pi with someone will pick you right up. Until next time, always remember.....Pi forever!

Leadership

A New Opportunity at Wagner

W.P. Wagner's new leadership program is for students who want to get involved and make a difference in their school and community. It is a six credit course offered at all three grade levels. Students attend semenars outside of the regular schedule and perform at least 100 hours of leadership experience. It was an exciting first year. Highlights included taking over Fort Edmonton, getting over the public speaking jitters, learning to be a team, and being elementary teachers for a day.
